

Black Sabbath, What's the use

What's The Use Of Paradise Or Everyday Of Livin'
They Spend And Learn In Heaven, Sin In Hell
What's The Point Of Children
When Evil Got Before Them
They Learn In Every Tale We Tell
There's No Point In Being Kind
What's The Use When Love Becomes An Evil Of The Mind
Oh Yeah!
What's The Use Of Power
When The Battle Isn't Equal
And We're All Too Scared To Use It Anyway
What's The Point Of Reason
When No One Wants To Listen
Deliverance Is All Too Far Away
Ooh What's The Use
Ohh What's The Use
Tell Me Ohh What's The Use
What's The Use
Love Becomes An Evil Of The Mind
What's The Use
Love Becomes An Evil Of The Mind
What's The Use
What's The Use
What's The Use.
