

Blackbox, Ride On Time

Gonna get up, gonna get up, gonna get up - who
Gonna get up, gonna get up, gonna get up - ooho, ooho
And time won't take my love away
Ooho, ooho, ooho, ooho
You're such a, you're such a
You're such a, you're such a hot temptation
You just walk right in, walk walk walk right in
Ooho, ooho, ooho, ooho, ooho
Ooho, ooho, ooho
Gonna get up, gonna get up, gonna get up
Thank thank thank you, baby
Gonna get up, gonna get up, gonna get up
Just don't move
Gonna get up, gonna get up, gonna get up
Thank thank thank you, baby
Gonna get up, gonna get up, gonna get up
Walk right in
'Cause you ride on time, 'cause you ride on time, ride on time
'Cause you ride on time, 'cause you ride on time, ride on time
Let me tell you, let me tell you what you do
What you do, what you do to me
You're such a hot temptation
You just walk right in, walk walk walk right in
Ooho, ooho, ooho, ooho, ooho, ooho, ooho, ooho
Gonna get up, gonna get up, gonna get up
'Cause you ride on time, 'cause you ride on time
