

Blackbud, Heartbeat

Oh tell me what is colour,
When all the world is black and white,
And tell me what you reach for,
When all the stars are out of sight,
Oh tell me what you'd give,
To be woken by a kiss in the morning light,
Do you feel alright,

You know much more than I do,
I just stay so safe at home,
Much too scared to feel what I do,
Must you always live alone,

You make my heart beat,
Fall down at your feet,
You make my heart beat,
I fall down at your feet,

Oh tell me what you'd give,
For a hand to hold in the cold cold rain,
When you're sleeping on the station,
Waiting for your morning train,
Would it come to you,
What would you do,
If your letter in the spring,
Never came,
Never came,

You know much more than I do,
I just stay so safe at home,
Oh, much too scared to feel what I do,
Must you always live alone,

You make my heart beat,
Fall down at your feet,
You make my heart beat,
I fall down at your feet,

Ohhhh....

You know much more than I do,
I just stay so safe at home,

You make my heart beat,
You make my heart beat,
I fall down at your feet
