

# Blackbud, Steal Away

I need my baby,  
My baby needs me,  
This old cars still driving,  
This world is killing me,

Steal away with me,  
Don't get lost along the way,  
I need to be free,  
Say what I wanted to say,

Ahhhhh, ahhhhh,

Screaming, shouting, strong,  
I know I done wrong,  
It's easier enough for me to say,  
That I'll be on my way,

Steal away with me,  
Don't get lost along the way,  
I need to be free,  
Say what I wanted to say,

Ahhhhh, ahhhhh,

Steal away with me,  
Don't get lost along the way,  
I need to be free,  
Say what I wanted to say,

Ahhhhh, ahhhhh,  
Ahhhhh, ahhhhh,  
Ohhh
