

Blackbud, Switch

Close to you,
I feel the waves wash over me,
Close to you,
There's nothing I can do or say,

Close to you,
I feel the tide wash over me,
Close to you,
I still remember,

I'm born but I'm alive,
Live by the rules, not by the sky,

What lies beneath your eyes,
Is beautiful, you're delicate,
When I'm far away I still remember,

I'm born but I'm alive,
Live by the rules, not by the sky,

I'm born but I'm alive,
I'm born but I'm alive,

Ohhhh... switch
