Blackfield, Once

Want you to know That I could go anytime I want you to know

Gave me her lips Gave me her perfect hips And I slow down I slow down in love

Once I rise inside

Once she would hold me She was my only Only true love Once she had told me That I'm holy Only so long

She'll stay all night She'll be so quiet And she won't laugh at my jokes

Once I rise inside

Once she would hold me She was my only Only true love Once she had told me That I'm holy Only so long
