

# Blackfoot, Rattlesnake Rock 'N' Roller

Well I'd rather be a fishin'  
Or at least just a wishin' I was  
And if you really ask me  
I'll tell you what is in my heart  
'Cause I'm a down home picker  
And a country boy singer  
To start

I love cruisin' down the highway  
Gettin' set to play at night  
Or sittin' in a honky tonk  
With a mason jar 'till light  
And if I get the call  
You know I'm not afraid to fight

'Cause I'm a Rattlesnake Rocker  
Rattlesnake Rock 'n' Roller  
Living in the city put a bite in my soul  
If you live in the country they say  
You will never grow older  
If you're a Rattlesnake Rocker  
Rattlesnake Rock 'n' Roller.

Well I'm a headin' for the country  
With the stars shinin' up above  
Gonna do me some fishin'  
Instead of just a wishin' I was  
'Cause a Rattlesnake bites  
And a moonlit nites is a what I love

Repeat Chorus
