

Blackhawk, I'm Not Strong Enough To Say No

The sign says Do Not Touch. You're out of bounds.
You're forbidden fruit, don't come around.
It says Don't Make Plans, 'cause on your hand
is a promise made to another man.
'Cause when you're around, my defences go down.
Feelin's get stronger, looks get longer.
The closer you come, the weaker I get.
If it ain't happened now, it just ain't happened yet, so

(Chorus)

Please, please, please go.
I'm not strong enough to say no.
Please, please don't stay,
I'm not man enough to walk away.
Please, please pass by.
I can't resist you even though I've tried.
So please go, I'm not strong enough to say no.

The sign says Slow Down, Slippery Ice.
You've got dangerous curves.
Don't think twice.
It says Not For Sale, Spoken For.
Just take your heart and walk out the door,
cause when you're around, my defences go down.
Feelin's get stronger, looks get longer.
The closer you come, the weaker I get.
If it ain't happened now, just ain't happened yet, so

(repeat Chorus)

Don't say I didn't warn you, don't say you didn't know.
Don't wait 'til it's too late, and then try to go.
The closer you come, the weaker I get.
If it ain't happened now, just ain't happened yet...
I'm begging you, baby

(repeat Chorus)
