

# Blackhawk, In My Heart Of Hearts

(Byron Hill/Anne Roboff)

Jenny told Tom that she was leavin'  
Never thought it would come to that  
Can't you almost feel that ol' ground shake  
All the way to us from where they're at

We've had our share of ups and downs  
Words that come out wrong somehow  
But that don't mean a thing 'cause

In my heart of hearts  
What I'm really feelin'  
Is a never-ending  
Love you can believe in  
So don't you ever doubt it  
Girl you're all that matters  
In my heart of hearts

It wouldn't be love without the hard times  
That's what makes a good love grow  
Feelings are all too often hidden  
Out of sight where they don't always show

Try not to give it a second thought  
Heaven knows just where we are  
In spite of words unsaid 'cause

In my heart of hearts  
What I'm really feelin'  
Is a never-ending  
Love you can believe in  
Don't you ever doubt it  
Girl you're all that matters  
In my heart girl

Sometimes in this busy world we share  
I go round and round like I don't care 'cause

In my heart of hearts  
What I'm really feelin'  
Is a never-ending  
Love you can believe in  
Don't you ever doubt it  
Girl you're all that matters  
In my heart of hearts  
In my heart of hearts...
