

# Blackhawk, It Ain't About Love Anymore

Sit down here beside me  
It's been so long since we've been real  
No small talk, no smoke screens  
It's time we talk about what we don't feel  
These are the hardest words  
I've ever had to say

It ain't about love anymore  
We're just holdin' on  
To a dream that is gone  
This ain't about us anymore  
And it's just about time we let go  
I'll let go  
When I walk out that door you'll know  
It ain't about love anymore  
It ain't about love anymore  
It ain't about love anymore

It's not fair to hurt you  
I know you tried to do your part  
A cold wind blows through me  
It's been a ghost town in my lonely heart  
This is the hardest thing  
I've ever had to do

It ain't about love anymore  
We're just holdin' on  
To a dream that is gone  
This ain't about us anymore  
And it's just about time we let go  
I'll let go  
When I walk out that door you'll know  
It ain't about love anymore  
It ain't about love anymore  
Anymore

--- Instrumental ---

These are the hardest words  
I've ever had to say

It ain't about love anymore  
We're just holdin' on  
To a dream that is gone  
This ain't about us anymore  
And it's just about time we let go  
I'll let go  
When I walk out that door you'll know  
It ain't about love anymore  
It ain't about love anymore

It ain't about love anymore  
Anymore...
