

Blackhawk, King Of The World

High On A Hill
The Valley Below Me
The Blue Sky Above Me
My Dream Was So Real
I Could Not Hear
The Hum Of The Highway
Or The Drums Of The Foundry
Pounding Out Steel

Chorus:
I Didn't Need No Money
I Didn't Need No Time
I Didn't Need Nothing But My Own Piece Of Mind

And You Know That
A Voice Like A Whisper Is Bound To Be Heard
For Just One Moment
I'm The King Of The World
For Just One Moment
I'm The King Of The World

So I Close My Eyes
I Let The Power Defeat Me
Because The Real World Can't Free Me
From This Dirty Old Town
Where The Four Winds Blow
I Sent My Troubles Rollin'
And Since The World Just Kept On Turnin'
I Let It Go Round

Repeat Chorus

Where The Four Winds Blow
I Sent My Troubles Rollin'
And Since The World Just Kept On Turnin'
I Let It Go Round

Repeat Chorus

I'm The King Of The World
