

# Blackhawk, Sure Can Smell The Rain

She hasn't done a thing,  
That really has to mean,  
She's goin' anywhere.  
I haven't seen it showing in her eyes,  
But I swear it must be there.  
I don't know why I feel it so strong,  
But I feel it just the same.  
I can't see a single storm cloud in the sky,  
But I sure can smell the rain.

She'd still say I love you if I ask,  
But she never volunteers.  
Somehow what she never says,  
Means more than all,  
The other words I hear.

Still she should win an Oscar if she's lyin',  
When she says that nothings changed.  
I can't see a single storm cloud in the sky,  
But I sure can smell the rain.

Everyday I brace myself to hear the words,  
I'm scared she's gonna say.  
And every night I thank the Lord,  
Somehow I dodged the bullet one more day.  
Sometimes there are things a man just knows,  
That he really can't explain.  
I can't see a single storm cloud in the sky,  
But I sure can smell the rain.  
I can't see a single storm cloud in the sky,  
But I sure can smell the rain.
