

Blackie And The Rodeo Kings, Had Enough Of You

(Wilson/Potvin/Vulama)

Im ugly, Im lazy
Im always there to take the blame
Im a drag but youll never find out
Just push me around and Ill walk away

Im a genius, I cant get straight
Theres supernatural in my hair
Space invaders all around me
Freak me out when I get down there

Im getting lost before I get found out
Im getting old before my time
And its too late

Chorus
So shut up Ill give up when I want to
Just shut up Im not listening to you
Say anything cause it dont mean nothing
Ive had enough of you today
Ive had enough of you today

Now dont try me, Im so turned on
Im in the game to break some eggs
Im not a loser Im a time bomb
A superstar that always gets his way

Chorus
