

Blackjack, Merry-Go-Riding

Two tickets, Merry-go-riding
I gotta see in the paper today
Who missed it somebody's lyin'
We're gettin' nowhere tellin' a tale
Questioned, till it make 'em bleed
Answers, kiddy got a need
Hands up, put 'em on the wall
Backing up, pushing till they make 'em fall
Escaping go into hiding
Who never tells night is the day
I didn't wish it somebody's cryin'
They're gettin' nowhere running away
Questioned, till it make 'em bleed
Answers, kiddy got a need
Hands up, put 'em on the wall
Backing up, pushing till they make 'em fall
There you stood wanting to ride it
It's getting late boy you couldn't stay
I can't believe nobody's tryin'
They're getting nowhere hiding the pain
Questioned, till it make 'em bleed
Answers, kiddy got a need
Hands up, put 'em on the wall
Backing up, pushing till they make 'em fall

I didn't wish it somebody's cryin'
