

Blacklisted, My Advice

Life is cruel, no choice but to play
We're up to our necks in yesterday
We all know that thief called life
Leaves us with grief at night
And I'm trying to tell you
You don't try
No one cares
And I'm dying to tell you
You don't listen
You don't care
I can tell you everything that you need to know
You've gotta face your past
See how long you can last
We will be remembered for everything that we did wrong
We will be forgotten for everything that we did right
