

Blackmail, Swinging Exit Pleasure

senseless into pleasure
nothing forever
the sooner you fall
you know who you are
I had a spleen within
a case of pure pleasure
it's going too far
going too far

can't escape from where I've been
the deeper I fall into the exit swings
can't escape from where I've been
desperately seeking for a brandnew start

i'm shaving off my skin
just to feel better
i'm breaking the waves
to get through the day
perception is a talent
i'll never wanted
I'll fade into calm
to save me from harm

can't escape from where I've been
the deeper I fall into the exit swings
can't escape from where I've been
desperately seeking for a way to spin

and I'm falling free from sin
future's starving in my hands
must be reduced to what I've been
and I start all over again
