## Blackmail, Swinging Exit Pleasure

senseless into pleasure nothing forever the sooner you fall you know who you are I had a spleen within a case of pure pleasure it's going too far going too far

can't escape from where I've been the deeper I fall into the exit swings can't escape from where I've been desperatly seeking for a brandnew start

i'm shaving off my skin just to feel better i'm breaking the waves to get through the day perception is a talent i'll never wanted I'll fade into calm to save me from harm

can't escape from where I've been the deeper I fall into the exit swings can't escape from where I've been desperatly seeking for a way to spin

and I'm falling free from sin future's starving in my hands must be reduced to what I've been and I start all over again
