

# Blackmore's Night, Now And Then

## Now And Then

The past is so familiar  
But that's why you couldn't stay  
Too many ghosts, too many haunted dreams  
Beside you were built to find your own way...  
But after all these years, I thought we'd still hold on  
But when I reach for you and search your eyes  
I see you've already gone...

That's OK  
I'll be fine  
I've got myself, I'll heal in time  
But when you leave just remember what we had...

There's more to life than just you  
I may cry but I'll make it through  
And I know that the sun will shine again  
Though I may think of you now and then...

Can't do a thing with ashes  
But throw them to the wind...  
Though this heart may be in pieces now  
You know I'll build it up again and  
I'll come back stronger than I ever did before  
Just don't turn around when you walk out that door...

That's OK  
I'll be fine  
I've got myself, I'll heal in time...but when you leave just remember what we had...

There's more to life than just you  
I may cry but I'll make it through  
And I know that the sun will shine again  
Though I may think of you now and then...

That's OK  
I'll be fine  
I've got myself, I'll heal in time...

And even though our stories at the end  
I still may think of you now and then...
