

# Blackmore's Night, Street Of Dreams

I heard the sound of voices in the night  
Spellbound there was someone calling and  
I looked around no one was in sight  
Fall down and I kept on falling

I've seen this place before  
When you were standing by my side  
I've seen your face before tonight  
Maybe I just see what I want it to be  
I know it's a mystery

Do you remember me on the street of dreams  
Running through my memory  
On the street of dreams

There you stood a distant memory  
So good like we never parted  
Said to myself I knew you'd set me free  
But here we are right back where we started and

Something's come over me  
And I don't know what to feel  
Maybe this fantasy is real  
Now I know I see what I want it to be  
I know it's a mystery

Do you remember me on the street of dreams  
Running through my memory  
On the street of dreams

Something's come over me  
And I don't know what to feel no  
Maybe this fantasy is real  
Now I know I see what I want it to be  
I know it's a mystery

Do you remember me on the street of dreams  
Running through my memory  
On the street of dreams  
I can hear you calling me  
On the street of dreams
