

# BLACKPINK, Bet You Wanna (feat. Cardi B)

BLACKPINK, Cardi...

Tell me where you wanna go  
I'll meet with my bags out the door

Uh, i am gonna meke you go blind  
Every time i walk  
My hips they don't lie

Take me to your paradise  
Cause i don't wanna wit anymore

Uh i'll say it one more time  
Every time i walk  
My hips they don't lie

You wanna touch  
Wanna touch?  
Of course you wanna  
You wanna run with my love  
But now you wanna  
From the club to the tub  
You said you wanna  
Give me an all night hook-up  
Bet you wanna

I Bet you wanna  
I Bet you wanna  
I Bet you wanna  
I Bet you wanna  
I Bet you wanna  
I Bet you wanna

Something about me is taking you higher  
And you ain't ever gonna come down  
You ain't ever  
You ain't ever

I am lighting your fire  
And i ain't ever gonna go out  
It's ain't ever  
It's ain't ever

[Cardi:]  
Take the car keys  
Drive me crazy  
Cardu a good catch  
But you gotta chase me  
Wrap my wist  
But don't ever waste me  
Turn on please me  
But don't ever play me  
One of a kind  
You can't replace me  
Time to shine  
I bust down the AP  
The stakes is higher  
Let's do what we both desire  
God like i am in the choir  
I bet you if you make sweat  
I'll still be n fire

You wanna touch  
Wanna touch?

Of course you wanna  
You wanna run with my love  
But now you wanna  
From the club to the tub  
You said you wanna  
Give me an all night hook-up  
Bet you wanna

I Bet you wanna  
I Bet you wanna  
I Bet you wanna  
I Bet you wanna  
I Bet you wanna  
I Bet you wanna

Something about me is taking you higher  
And you ain't ever gonna come down  
You ain't ever  
You ain't ever

I am lighting your fire  
And i ain't ever gonna go out  
It's ain't ever  
It's ain't ever
