

# BLACKPINK, Ready For Love (feat. PUBG MOBILE)

Can't get you out of my head  
BLUE

Yeah, I'm ready for love  
I'm ready for love

Yeah, I'm ready for love  
Yeah, I'm ready for love

I'm ready for love  
I'm ready for love  
I'm ready for love

I'm ready for love  
I'm ready for love Here I am

I'm ready for love

Tell me when you're ready  
Cuz I'm already ready  
Tell me when you're ready  
Cuz

I'm ready for love  
I'm ready for love I'm ready for love  
I'm ready for love  
I'm ready for love

Ready or not, here I come and I'm running  
Like it's now or never, I never know if you want it  
What if love wasn't what it was supposed to be?  
What if there's no Romeo for me?  
No hope, no roses, no more notes to read  
So I keep my eyes closed to see  
What I need is forever and forever baby, not sometimes  
When you want it then you best come find me cuz I'm ready

I'm ready for love  
I'm ready for love  
I'm ready for love

I'm ready for love  
I'm ready for love Here I am

I'm ready for love

Tell me when you're ready  
Cuz I'm already ready  
Tell me when you're ready  
Cuz

I'm ready for love  
I'm ready for love I'm ready for love  
I'm ready for love  
I'm ready for love

I'm ready for love  
I'm ready for love  
I'm ready for love

I'm ready for love  
I'm ready for love
