Praying for my downfall, many have tried, baby

Catch me when you hear my Lamborghini go vroom, vroom, vroom, vroom

When we pull up, you know it's a shutdown

□□ □□□ □ □□ shut down

Whip it, whip it, whip it, whip it

Whip it, whip it, whip it, whip it

It's black and it's pink once the sun down

When we pull up, you know it's a shutdown

□□ □□□ □ □□ shut down

Whip it, whip it, whip it, whip it

Whip it, whip it, whip it, whip it

Keep watchin' me shut it down

Nah, you don't wanna be on my bad side

That's right, I'm slidin' through

Bunch of wannabes that wanna be me

Me three, if I was you

Been around the world, pearls on ya girl

VVS's, we invested, uh

Need a lesson, see the necklace, see these dresses

We don't buy it, we request it, uh

A rock star, a pop star, but rowdier

Say bye to the paparazzi, get my good side, I'll smile for ya

Know it ain't fair to ya, it's scarin' ya like what now?
