## Jay-Z Rap

Zigga murder tracks let the rap flow kill ya  
Rock platinum jewelry  
young ladies think it's silver.  
Need a fix hit me on the hip  
But don't go berzerk and get whipped  
Put my business in the street like work.  
I rock my rocky ices  
Duck po-lices  
Thru your town run up and down  
Like pappi prices and  
Thru somethin' let me know  
U wanna do somethin'  
I'll meet you by your building  
In a brand new somethin'  
It's not a thing I jus' copped  
A range and 4 dot 6 with the  
Hot wood grain  
Drop the front like hydraulics  
Gotta hypnotic like the  
Dearly departed Chirstopher Wallace  
Zhigga got it if you need it  
Willing to give it f you willing to  
Live it, loving killing the digits  
It's the blacksheep along with the BLACKstreet  
If it drop on Monday we go

Platinum that week
