

Blackstreet, Can't Get You (Out Of My Mind) Rem

I can't get you out of my mind
Your love is one of a kind
You've given so much of yourself
I swear don't want nobody else

Baby love, what can I do
You're killing the trust that I gave to you
Took me for granted, so sad to see
You're running 'round town playing games on me
Yet day and night I'm thinking of you
Call me a fool just so confused
After all that I've been through
I'm still in love with you and I can't

I can't get you out of my mind
Your love is one of a kind
You've given so much of yourself
I swear don't want nobody else

Baby girl, what could I do
I told you once before your girl playa-hatin'
She played me close
One too many times I had to put it on her
she was so damn fine
I don't know what she told you
But I bounced upon her love one time
I took her to my house
Laid her on my couch
Slanted her frame and threw her ass out

So what about the girl in the 6-4?
She didn't mean a damn thing to me, baby
She needed a ride from the jam
And being the man that I am
I said you can
And what about the girl in the drop top
With the lolipop at the light by the bus stop?
Must have been fooled into thinking the kid was slack
Girl, I did my thing but now I want my baby back

I can't get you out of my mind
Your love is one of a kind
You've given so much of yourself
I swear don't want nobody else

Damn, just picked the wrong time to mess up
From the time you left me up until this moment
I just couldn't get you off my mind
But I know if we can start all over again
I know things won't be the same
I can make it better, I swear
I swear
