

Blackstreet, Look In The Water

Look in the water

Girl just look at..
You oughta know by now..
baby..oh girl

What's wrong, sugar?
Can't you see, can't you see that I'm dependant of what we've been through
Please don't cry, don't you know..
I walked deepest waters forever for you
Girl understand I'm one man
that you would not lose..
Don't give up..just because
Because we never your confuse..
baby just look at..

(Chorus)
Look in the water (ooh)
and see through yourself (see for yourself)
Look in the water and ...see (as my love pours)
Look in the water
and see for yourself (I'm here for you)
Look in the water and ...see
(Girl I am yours)
I'm yours
I'm yours
(Baby you know)
I'm yours
I'm yours

Yeah, Chauncey, help me sing
Oh you make me so,so,so,so happy
Cause when I'm with you, it's like valentine' day
Please don't cry, please don't, sugar
Tell me why. would. I. through. something like this so good, away
