

# Blackstreet, Never Gonna Let You Go

[1] - Never gonna let you go away  
You belong to me  
And I'm never gonna let you go  
Never gonna let you go away  
We were meant to be in love, love

Take your time, Mark just sing it for 'em  
I regret the moment, when I heard you say  
You don't want no part of me no more  
But I'm sorry, that you changed your mind  
You're staying in my life forever more, forever more  
Cause I'll never

[Repeat 1]

Now I must admit, that I did you wrong  
Hiding all your tears  
When you cried for me to come back home  
And then you tell me  
Part-time loving just won't do  
I can't say a word  
Oh, I must have been a fool  
But this time, this time, I'll never

[Repeat 1]

Now girl, I know  
We've had our share of ups and downs  
But we can make it, if we try  
(Only if we try)  
And your friends are telling you  
That I'm not the one for you  
But I'll never, no no never, let you go

[Repeat 1]
