

Blaine Larsen, That's All I've Got To Say About T

I don't have too much to say
About those things anyway
The weather's cold or it's hot
It's either wet or it's not
I'm no expert on life
I just try to do right
I'm a man of few words
Since you asked about her

Oh I love her and I need her
I'll do anything to please her
Cause I like to see her smile
And watch her eyes light up just like the morning sun
The day I met her
Knew I never would forget her
So I bought a ring
And put it on her finger
And I promised her my heart forevermore
And I won't ever take it back
And that's all I've got to say about that

I'm just quiet I guess
Ain't got much on my chest
Try to keep a good name
I stay dry when it rains
Fish bite or they don't
But if you're talkin' they won't
So I'm savin' my breath
For something worth being said

Like I love her and I need her
I'll do anything to please her
Cause I like to see her smile
And watch her eyes light up just like the morning sun
The day I met her
Knew I never would forget her
So I bought a ring
And put it on her finger
And I promised her my heart forevermore
And I won't ever take it back
But that's all I've got to say about that

Yeah I promised her my heart forevermore
And I won't ever take it back
That's all I've got to say about that
