

Blake Babies, A Sweet Burger LP

One, Two, Three, Four

?

?

And I don't even know who you are

I know you're probably ?

But ? with you

You say that it's unfruitful

To sit here and daydream

But I should not forgive

As good as you seem

?

?

Why should I follow diplomacy

Your travelling little show

You say that it's unfruitful

To sit here and daydream

But I should not forgive

Everything else in life seems so grim

? see you

Once or twice a year

Just ?

You came around here

Why do you think it sounds stupid?

?

?

What else is there?

What can you do about it?

Talk to me, invade my thoughts

You just don't have to know

I like you, but you're far away

?

You're talkin' to me

Feed my thoughts

With a grace I need to show

I guess, this is how it's going to be

I like you although
