

Blake Babies, Waiting for Heaven

The only thing I've ever wanted is to lose myself
So I take a little poison because I need a little help
I don't really care about tomorrow
I'm on a wave coming down from a beautiful phase/face
Heaven

Where are you?

I've been waiting patiently

Will you ever show your face to me

Or am I a fool?

Steven tells me that if we get down and talk to the ceiling

That I could change my reputation and get off on believing

He can sell me on living a lie

Flying away from the truth

Driven out of the room

Heaven

Where are you?

I've been waiting patiently

Will you ever show your face to me

Or am I a fool?

So

long

snow

falling

Heaven

Where are you?

I've been waiting patiently

Will you ever show your face to me

Or is nothing true?
