

Blake Babies, What Did I Do?

Such a beautiful beginning
I can't believe it was a lie
Now the world is cold because I'm sick inside
You've been gone for too long
I don't think I can stay strong
What did I do to make you be so cruel to me?
What did I do to make you wanna leave me lonely?
You used to say to me, "Hey baby";
Now you won't return my calls
I gave too much
Now I have nothing left at all
I'm reaching out in vain
There's no answer
Just this horrible pain
What did I do to make you be so cruel to me?
What did I do to make you wanna leave me lonely?
I found your voice on a tape
The only letter that I saved
And a polaroid of you
And a drawing that you made
You left it in my car
I never knew I had it
What did I do to make you be so cruel to me?
What did I do to make you wanna leave me lonely?
What did I do?
Just tell me something, anything, because I don't understand
