

Blake Babies, When I See His Face

It could be any day now
It could be any day
It could be any day now
Nothing's going to be the same
When I see his face I'll tell you how it feels
It's just like waking up after a million years
When I see his eyes I'll tell you what it's like
Think of the sweetest dream you've had in all your life
Gonna be the same
Nothing's gonna be the same
Nothing's gonna be the same now
My love will never wax or wane
Sweetest dream ah ha
Think of the sweetest dream aha
Think of the sweetest dream aha
Will never wax or wane
Who never wax or wane
It sits inside of me and stays the same
