Blake Lewis, I Need To Know

(by Marc Anthony)

They say around the way you've asked for me
there's even talk about you wantin' me
I must admit that's what I wanna hear
But thas jus' talk until you take me there, oh
If it's true don't leave me all alone out here
Wonderin' if you're ever gonna take me there
Tell Me What you're feelin' cuz I need to Know
Girl you gotta let me know which way to go

Cuz I Need to Know
I need to know
Tell Me Babygirl cuz I need to know
I need to know
I need to know
Tell me Babygirl cuz I need to know
My every thought is of this bein' true
It's gettin' harder not to think of you
Girl I'm exactly where I wanna be
The only things I need you here with me, oh
