

Blame the City!, Today's Gonna Suck

Wake up in the morning
Know right away
Hit your snooze button
And you say
TODAY'S GONNA SUCK! [x2]
You're running late
Taking to long
Mom's rushing you
No time for food
Lose a contact down the drain
Gotta shower, such a pain
TODAY'S GONNA SUCK! [x2]
Rushing to your stop
Doing homework on the bus
The rides bumpy
Make's you mess up
No time, going outta your mind
As you pull up to school
You're just thinking
TODAY'S GONNA SUCK! [x2]
