

Blameless, Breathe (A Little Deeper)

yeah-yeah-yeah-yeah

yeah-yeah-yeah-yeah

(Spacious?) walls around me,
a million holes within these walls,
Hands that reach and grab me,
I don't know where I'm gonna fall,
I'm sandwiched in the middle,
You know there's no way I can win,
It's one thing that it's summer,
But slowly winter's sinking in,

(And/Oh) we go out tonight and breathe a little deeper
I wanna feel alive (that's all?) inside (of/in?) here
yeah-yeah-yeah
yeah-yeah-yeah-yeah

Flowers in the hallway,
? propped against the wall,
There's nothing in the cupboard,
And know I'm eating like a ?
Table-top is dirty,
The number four hangs off the door,
The clock says 20:30,
Theres not a single sound, what have I found?

(And/Oh) we go out tonight and breathe a little deeper
I wanna feel alive (that's all?) inside (of/in?) here
(And/Oh) we go out tonight and breathe a little deeper
I wanna feel alive (that's all?) inside (of/in?) here

It's OK
All your friends,
they've invited me to stay
I'll think it over
but maybe go anyway

(And/Oh/But) we go out tonight and breath a little deeper
I wanna feel alive (that's all?) inside (of/in?) here
And we go out tonight and breath a little deeper
I wanna feel alive (that's all?) inside (of/in?) here

And I said tell me you live like Julius Caesar
And you know what I'd really like to (leave here
But there's no way, they got me, they got me,
But there's no way, I'm trapped inside a vase.
