

BLANKA (PL), Asereje (Airplane Mode)

Mira lo que se avecina
A la vuelta de la esquina
Viene Diego rumbeando
Con la luna en las pupilas
Y en su traje agua marina
Van restos de contrabando

Let's go
Imma show you how I like it
White beach, Lamborghini dress code
Dance floor
Like a diamond you were shining
One kiss got me going loco

I got a ticket for two
We ain't leaving this room
Boy you got me flying high

Asereje ha ehe
Te hebe tu te hebe de guididipi

Asereje ha ehe
Tonight you gotta keep all of your focus on me

If I miss my flight back
Would you like that
We can put it into airplane mode

Asereje ha ehe
Tell everyone to leave a message after the beep

Moët on the tabletop
Put it on the credit card
Do you wanna dance the Mambo
In my head and in my heart
In my bed
Oh my God
This is what we call a tango

We only got 24
DND on a door
What you waiting for
Romancing
And slow dancing
How do I leave

Oh let's be honest I know that you want it
Let's be honest yes you do

Asereje ha ehe
Te hebe tu te hebe de guididipi

Asereje ha ehe
Tonight you gotta keep all of your focus on me

If I miss my flight back
Would you like that
We can put it into airplane mode

Asereje ha ehe
Tell everyone to leave a message after the beep

Nanananananana

Asereje ha ehe
Te hebe tu te hebe de guididipi
