

# Blaqk Audio, The Love Letter

What could you see?  
What could you find?  
If we meet please avert your eyes.  
What I'd never show, what you'll never find  
Is explosive so hide your eyes.

What should mean nothing to you  
Has left a poison running straight from your lips  
And into (lead to) the poison I'm becoming.  
Walk right through me, I'm not really there.

What could you see?  
What could you find?  
If we meet please avert your eyes.  
What I'd never show, what you'll never find  
Is explosive so hide your eyes.

Once it meant something to me.  
I find it rather stunning.  
I draped it cold and clarity.  
It's true, I find the look becoming.  
Walk right through me, I'm not really there.

What could you see?  
What could you find?  
If we meet please avert your eyes.  
What I'd never show, what you'll never find  
Is explosive so hide your eyes.

It's a day gone away.  
Turn away from the day, it's explosive.

What could you see?  
What could you find?  
If we meet please avert your eyes.  
What I'd never show, what you'll never find  
Is explosive so hide your eyes.
