

# Blaqk Audio, Where Would You Like Them Left

Sweetness...

It's just a matter of taste

I wish we were not misplaced

You only quote these lines

But I'll be fine

I'll only recite mine

Until I'm gone with out a trace

It's just a matter of time

Strip for me as I have stripped for you

We've got nothing to hide and we've got less to lose

Strip for me as I have stripped for you

I've got nothing to hde and less to lose

Sweetnes...

Could they have just a taste

Of this beautiful disgrace

They'd find you a criminal daelctable

They'd find me intangible invisible

Gone without a trace

It's just a matter of time

Strip for me as I have stripped for you

We've got nothing to hide and we've got less to lose

Strip for me as I have stripped for you

I've got nothing to hde and less to lose

It's a lot to take but they won't find us

It's a lot to take I know, I know

It's a lot to take but pay na mind

Because this is how we're made

You know

And so...

Strip for me as I have stripped for you

We've got nothing to hide and we've got less to lose

Strip for me as I have stripped for you

I've got nothing to hde and less to lose
