

Blaque, Bring It All To Me (Album)

There you are
Lookin' as fine as can be
In your fancy car
I can see you lookin' at me
What ya gonna do
Are you just going to sit there and stare
Baby talk to me
Tell me whats on ur mind baby ohhh

Oh baby bring it all to me (bring it all)
But i dont need no fancy cars or diamond rings (baby i dont need no)
Oh baby bring it all to me (bring it all)
Gimme your time your love your space your energy (ohh)

Baby whats the deal
Would I be to forward if I
Told you how I feel
That's just the way I do my thang
So for real
Are you feelin' my tims my baggy jeans
My thug appeal
Do you like I when a man can keep it real ohhh

Just to tell you how good you make me feel inside
