

Blaque, Can't Trust Myself

I didnt really wanna be on your team
I just want to wear the uniform,
that was enough for me
But somehow you stole the ball from my court
And you forced a game of one on one
that i didnt wanna play

I never had a guy to play the whole game
they always seem to quit at half time
leave the rest to me
I never thought love should be that way
If you're down you should be down
until the buzzer rings

Bridge:

And I can't go back down that road again
Knowing that it is a dead end
And although I really wanna take this ride with you
I'm unsure what our destination is
and baby this is why.. (why...)

Chorus:

I cant trust myself
Cuz every time i get around you
I turn to someone else
I'm lovin too much about you
You can't possibly, be this perfect see
Why, every time I get around you I can't trust myself
Trust myself

When I'm alone it drives me crazy
Cuz i hate the fact that I dont want your love
I find myself pushing you away
Then i turn around and I want you to stay
And I know its kinda premature
But I just gotta be sure

And I can't go back down this road again
Knowing that it's a dead end (a dead end, a dead end)
although I really wanna take this ride with you
I'm unsure what our destination is
and baby that is why.. (why...)

Chorus

I can't (Trust myself)
I, I can't trust my, myself (Trust myself)
Ooh, I can't
Oo oo oooo oo ooh
Ah Oh

Remember the time you looked into my eyes
I never wanna be with another guy (Trust myself)
every time i think how you make me feel..
I know you're the one for me, for real (Trust myself)
I never had someone to treat me like you do
I pinch myself, I can't believe its true (Trust myself)
You're the one, you set me free
I'm falling in love, and its killing me

Chorus (x2)
