

# Blaque, Questions

I wanna know why this feels so right  
I wanna know why you hold me tight  
each and every night, it keeps me up all night  
thinkin about the things i like  
can't believe you're in my life  
i wanna know why ur the one  
the things that they should have you've already done  
god sent you straight to me  
you make me wanna sing ladadada

[chorus]

but when you look at me, do u see ur wife?  
can u picture us lovin' each other for life?  
are u playin' the role, just like the rest  
these are the questions that i ask myself  
if, another should come, who's finer than me  
and she wanna take ur love away, would u leave?  
baby please answer these questions

[2]

could this be my whole fantasy  
maybe u could just be too good for me  
if i don't wake then i won't see  
cuz if im not the one u met, then who is in me  
in the mist of the tears how come, i love u more, and more, and more  
i never longed for no one, yes its true  
seems like this questions keep me here with you

[repeat chorus 2x]

[bridge]

if u, really wanna be with me  
then ill say, i'll love u endlessly  
one thing that i really wanna know  
will this end or will this grow  
i say now if u really wanna be with me  
ill love u endlessly  
one thing that i really wanna know  
will this end or will this grow

[repeat chorus 2x]
