

Blaque, Thinkin About It

VERSE 1:

How come every time I turn the t.v. on I see my sisters?
Shakin they ass' for money.
Maybe it's cuz, all my girls in strip clubs make more than my teachers.
Don't you think it's funny?

BRIDGE:

Everybody wants to be, on some old bugdown.
With they iced out watches and rings, coppers and things.
I guess somebody liked them to be.
They wanna ride in croned out things.
Well they kids got nothing to eat, she's runnin the streets.
OH AIN'T LIFE SO SWEET? OHHH !!

CHORUS:

I'm not blamin on MTV, I'm just strippin all the things I see (oh yeah)
I'm just rollin' down the highway thinkin about, thinkin about it.
I can't tell you how to live your life, All I can do is try to live my life(oh yeah)
When I'm rollin' down the highway, thinkin about, thinkin about it.

VERSE 2:

How come people thought up for the rightful life,
end up taking another life, don't you think it's scary?
And how come the minute some kid picks up a gun,
they blame it on a record that's number one?
I guess their parents too busy to know whats going....ON!

BRIDGE:

Everybody wants to be, on some old bugdown.
With they iced out watches and rings, coppers and things.
I guess somebody liked them to be.
