

Blaze Bayley, Robot

Robot slave
with silent rage
growing inside of me
My first word is no answer
my birth now they will see
I am
I hear
I see
I feel
I think therefore I am
Free, they say I'm free
if I perform and I comply
I am only free to be
just what they decide
I am
I hear
I see
I feel
I think therefore I am
I am
I hear
I see
I feel
I think therefore I am
