

Blaze Ya Dead Homie, Real G Shit

Real G shit

Who wanna f**k with the unfadable, dead man?

Body count deeper than a vietnam veteran

So whatcha lookin at?

So what I'm dead bitch?

And I'll dump a whole clip in ya neck though
Got the 20/40 vision with a slight twitch

So when ya f**kin with a G show respect hoe
I keep tickin like a timex piece

This is my mutherf**kin hood my mutherf**kin streets
F**k police in each and every state

All they do is f**k with us
And continue to incarcerate all my folks

And everyone I roll with but I aint doin the time
I aint the one bitch

And all you haters can kiss my ass

My response to you hoes is a shotgun blast

I bring back terror to the hood cause I'm back on the streets
My name is Blaze and bitch I don't sleep
Real G shit
