

Blazin' Squad, Biggest Fan (Now Or Never)

Taken from the album Now Or Never

Krazy: From the moment that I saw you that night, only thing that kept me going was your vibe
one of those shows that didnt seem to go right.
Pointed you out, told you to meet me at stage side

(Bridge) I would have paid just to come and see you
the way that you dance love the way that you move.
Got one of me need a poster of you,
you're the girl that fits the picture in my mind.

(Chorus) Guess you dont understand, I'll be your biggest fan,
when I get off the stage tonight I wanna be your man.
Now thank you for wanting me but I need you in my life,
if this night goes the way that I planned,
I'll be your biggest fan.

Krazy: At the signing you was nowhere to be seen
and now I wanna see you more than you come to see me.
I'm getting nervous will I find the words to say?
Now aint it funny it should be the other way.

(Bridge)
(Chorus)

Plat'Num: Front row the rock spots a chick that dont want his dough
but still loves his hits, that's the way to go,
if I was poor or rich she wouldnt let me go cos this chick

Krazy: is so damn ghetto ho

Plat'Num: she wants to chill and roll with me

Krazy: backstage

Plat'Num: and when it comes to blazin' she can blaze all day

Krazy: she wants him for the many years not the status that comes along with being famous.

Flava: Hold up, let me break this down with only 8 bars

it's so hard to take the crown.

I've been watching your style girl, it's been a while since I seen ya at the show

cant wait to meet ya and treat ya good,

do everything I should.

Need your flava so bad, got me touching wood.

We could blaze it, rearrange it, turn the pages

and if we meet again I'll forget about the wages.

(Chorus till fade)
