

Blazin' Squad, Thinking About You

Rocky

Yo,

Baby girl, are u missin me,

Cos im still missin u

All

Im just calling to say that im really really missing you girl

Still wanna be part of your world

I gotta let you know

That I cant let go

Its kinda lonely baby

Flava

I think I need you more then life itself

But I aint about to put down the mike for a girl

Im feeling your pain

I still just the same

Just one difference

Im flava u still love James

Pick up the phone

Coz I know you wanna speak

Its been a week

I aint a creep

Fulfilled your needs and fantasies

Just like the old times

Remember the old rhymes

On the cold streets we first meet

Seemed so right

All

And it don't matter what your friends may say

Coz I still think about you everyday

And I just wanna get close to you

Tell me what I gotta do girl

Im just calling to say that im really really missing you girl

Still wanna be part of your world

I gotta let you know

That I cant let go

Its kinda lonely baby

I wanted to say im still thinking about you everyday

I wanna see your pretty smile again

I gotta let you know

Still thinking bout you no I cant let go

Spike-e

Ive got something to say

Times we chilled together held each other slipping away

And now I feel that I cant hold another

Missing each day now theres no one here to run to cover

Missing you babe now I feel I never find another lover

Missing your ways and every day is the same

It rains sitting here lonely feeling rage and pain

But if you come back soon babe

Times don't change

Ill always be here and here ill stay

And it don't matter what your friends may say

Coz I still think about you everyday

And I just wanna get close to you

Tell me what I gotta do girl

All
Im just calling to say that im really really missing you girl
Still wanna be part of your world
