

Blazing Tears, Dream Guy

The other night I closed my eyes,
I fell into a deep sleep.
I dreamt about a lot of guys,
Until I found one to keep.
He was too good to be real
It seems as though we'll never meet.
Already, my heart he did steal.
And I know he'll never cheat.
But then...I woke up and face the world...
and thought about that dream guy...

He was a hott guy with a good personallity,
A good boy with a sense of reality.
Never bug the hell outta me.
Will I ever find you?
Can u prove yourself true?

He'll always be there for me,
When I need a shoulder to cry.
Tough decision, we'll always agree,
One more thing, he'll never lie.
Always knows how to make me smile,
And he'll never make me sad.
Time with him is always worthwile,
Nothin he could do could make me mad.
But this is just a dream...

He was a hott guy with a good personallity,
A good boy with a sense of reality.
Never bug the hell outta me.
Will I ever find you?
Can u prove yourself true?

I gotta find you,
Hold you,
Kiss you
Love you...make my dreams come true.
