

Bleach, Almost Too Late

I'm scared I might be burning out
Before you know it I'm gonna' blow it
You say it might be turning around
Before you know it, I'm gonna' blow it
I guess you might be right
I think you could be, hey
It's almost too late
It's almost too late
It's almost too late
To do anything about it now
We're kicked back we're going way too slow
I guess we're laying way too low
Bring back the good time, rock and roll
