Bleach, Drive

120 dB to blast your brain Crusin' down the strip in my Chevrolet Ten below but I got the window down Cause I want the world to hear me rockin' out

I want them to get it good

I wanna wanna wanna Drive Drive Saturday night and the streets alive I wanna wanna wanna Drive Drive There's more I'll show you more

This is more than just a weekend thing Out every night to where the monsters sing Righteous sounds pumping out my stereo It's Jesus and my four wheel Vaudeville show

I want them to get the goods

I ain't afraid of rockin' out These super sounds are gonna knock you out I ain't afraid of turnin' it up I wanna show my Father's love
