

# Bleach, Get Up

Bring it back just one more time  
I hope that you might find  
A way to see more clearly now  
I think things would be just fine  
If you'd just find the time  
To bring it on back, bring it on back,  
Bring it on back now

Get up, get up, get out yeah

Complacent you've been paralyzed  
Ambitions all run dry  
So bring it on back, you gotta get back,  
Bring it on back now

Get up, get up, get out yeah
