## Bleach, Rock N Roll

I want you to know how I feel About you about you about you I want you to know

I want you to know how you feel About me about me I want you to know

Here I stand upon this stage Surrounded by a see-through cage I'm content to sing and shout If you're content to hear me out I've got a reason to rock this place

And so I'm turning up my mic I'm gonna Rock N Roll all night In ultrasonic stereo I'll tell you about the One I know I've got a reason to rock this place

I want you to know
I want you to know
I want you to know I want you to know
I want you to know I want you to know
I want you to know I want you to know

I want you to know It's more than Rock N Roll I gotta superphonic saying in my brain and it's gonna blow
